of the Calcutta Museum. He adds that by this trip a very valuable collection of Rocks and fossils will be added to the Geological Laboratory of the College in addn to practical instruction to the Students

2 Mr Smeeth, State Geologist who was consulted in the matter by Mr Tait suggests the omission of Calcutta and Rangpur from the programme as the cost of travelling is out of proportion to the amount of work

3 The cost on account of the Excursion is estimated at Rs 207-0-0 for the Students and Servants and at Rs 250 for Mr Sambasiva Iyer who says that he will avail himself of the Christmas Concessions and will charge only Single first class fares to & fro The charge for Students etc will be met from the budget provision of Rs 200 for the purpose and that of the Professors from the provision for travelling allowance

OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 7547 / 388 Enc 1

Bangalore 17th December 1913

From

M SHAMA RAO ESQ M A
Inspector General of Education in Mysore

To

C S Balasundaram Iyer Esq B A
Secretary to the Government of His Highness the
Maharaja of Mysore Depts of Education & Agriculture

SIR

I have the honour to enclose herewith copy of Mr V S Sambasiva Iyer's Scheme of a Geological Excursion sent by the Principal of the Central College with his letter No 242 of the 17th instant and to request that you will be so good as to obtain the early sanction of Government

2 Mr Tait writes that he has consulted Dr Smeeth in the matter and the latter suggests the omission of Calcutta and Raniganj from the programme as the amount of travelling is out of proportion to the amount of Geological work

3. The travelling allowance of the Professor which is estimated to come to about Rs 250 but which will be less by the omission of Raniganj and Calcutta may be met from the provision of Rs 1500 for

travelling

travelling allowance included under the head 18 (e) Education--
Government Colleges -- General-- in the current year's budget

I have the honour to be

Sir,

Your most obedient servant

T. Rama Rao

Inspector General

C E N T R A L C O L L E G E B A N G A L O R E

GEOLOGICAL EXCURSION

1913--1914

Second Part - Trip to parts outside the Province

M E M O

I Places proposed to be visited -

(1) Messrs Tata and Co 's Iron and Steel Works Kalimati the most important of the kind in India

(2) The best developed iron-ore deposits in India belonging to these works

(3) Raniganj Coal-Mines or Singareni Coal-Mines exposing some of the most important Gondwana formations with coal-seams

(4) Hazaribag Mica mines - among the most famous mica mines of India

(5) The mineral gallery of the Indian Museum Calcutta the best in India

(6) The fossiliferous deposits near Rajamahendry

(7) Kadapha sandstones etc Tirupati showing important Geological structures

The trip will be one of the most instructive of those hitherto undertaken A very valuable collection of minerals rocks and fossils will be added to that in the Central College

II P a r t y -

Students of the Senior B A Class	5
Cook	1
Peon	1
Professor	1
	8

This small number viz 5 in the Senior Class enables this trip being undertaken

III Approximate estimate of expenses -

Railway fare to 5 students at Concession rates -

III Class Bangalore to Madras and back	Rs 11	6	6
Intermediate Class Madras to Calcutta	51	9	0
III class Calcutta to Madras	32	10	6
Other train journeys	30	0	0
Peon and Cook full 3rd class fares	61	6	0
Cart hire Cooly and contingencies	20	0	0
Total	Rs 207	0	0

The expenses will thus be nearly equal to the balance left out of the budget grant and no fresh grant need be applied for

The Professor will avail himself of the Christmas concessions and is prepared to charge only single 1st Class fares to and fro

The charges to Government under this head will thus be about Rs 250/- an amount which I understand is nearly equal to what was incurred under the travelling allowances of the Professor for the second trip last year

IV Period of tour - 20th December 1913 to about the 7th January 1914

The students are to be kindly excused attendance at the English and Zoology classes four to five days in all before and after the Christmas vacation

(Sd) V S Sambasiva Iyer
Professor of Geology
